

How to make playdough

You will need: 100g salt, 200g flour, 200g water, cream of tartar, mixing bowl, kettle, sandwich bags, wooden spoon, metal spoon, sunflower oil and colouring gel/liquid.

1. First, add 100g salt to the mixing bowl.
2. Then, add 100g flour to the mixing bowl.
3. Next, add 100g flour to the mixing bowl.
4. After that, use the metal spoon to pour one spoonful of cream of tartar into the mixing bowl.
5. Then, add 1 tablespoon of sunflower oil.
6. Next, pour 200g of warm (recently boiled) water into the mixing bowl and stir the mixture with the wooden spoon.
7. Finally, leave the playdough to cool for 10 minutes before placing it in a sandwich bag.
