Headteacher: Mr T Baskerville

Dear Parent/Carer,

Our School Milk Scheme

In conjunction with the Department of Education's new School Food Plan, our school will provide a milk scheme that is available at break time from 15th April 2015 to all of our pupils. The children will receive a 189ml carton of semi-skimmed milk everyday, which is delivered by our local milkman. The school milk will not only provide your child with essential nutrients, but as it is rehydrating and energy boosting it also bridges the gap between breakfast and lunch to help the children stay focused. The milk is subsidised at around £15 per term. The milk will not replace the daily infant fruit but will be offered in addition.

Reception Class

School milk is free to all children in reception class, whilst your child is under 5 this will be funded by Department of Education, from your child's fifth birthday the school will fund the daily milk for the rest of reception year. We feel that it is important to continue their milk during reception class and do not wish to differentiate between the children.

Income Based Free School Meals

School milk is free to pupil's entitled to income based Free School Meals. However, you do **not** need to register on the cool milk website to receive free daily milk. You should have received a Free Milk for your child form, please return the completed form to the school office. If you feel that your child is entitled to income based Free School Meals please call into the school office to collect a form or download the form from the school website (Parent Tab) and return it to the school office for verification.

How to Register

Simply register at visit www.coolmilk.com or complete a registration form available from your school.

Reception Class

- Milk is completely free to all children in Reception Class however you still need to register your child
- Just register by 5pm for your child's free milk to start the following week
